The entity's first annual report form will be due January 1st of the calendar year following the year of formation. If a limited liability company is created late in the calendar year and it doesn't expect to commence business until on or after January 1st of the upcoming year, it should add an effective date of January 1 for the coming year.

If the effective date is in the next calendar year, it will delay the requirement to file an annual report until the following calendar year. Example: A limited liability company is formed December 1, 2007. If it added an effective date of January 1, 2008, the first annual report would not be due until January 1, 2009. If a 2008 effective was not listed, the first annual report would be due January 1, 2008.

Important Information About the Requirement to File an Annual Report

All Florida Limited Liability Companies must file an Annual Report yearly to maintain "active" status. The first report is due in the year following formation. The report must be filed electronically online between January 1st and May 1st. The fee for the annual report is \$138.75. After May 1st a \$400 late fee is added to the annual report filing fee. "Annual Report Reminder Notices" are sent to the e-mail address you provide us when you submit this document for filing. To file any time after January 1st, go to our website at www.sunbiz.org. There is no provision to waive the late fee. Be sure to file before May 1st.
